SKYFIESTA.ORG

Thank you for your interest in SkyFiesta 2026!

We are excited to extend an invitation to you for you to join us at Southern New Mexico's most thrilling and rapidly expanding event, the SkyFiesta Air Races and Airshow. This event will take place at Las Cruces International Airport in Las Cruces, New Mexico, on Saturday, October 17, 2026.

SkyFiesta unites aviation enthusiasts and community members for an exhilarating mix of high-speed air racing, jaw-dropping aerobatics, engaging STEM exhibits, and live entertainment. You'll have countless opportunities to interact with spectators.

The day's schedule features renowned air racers, iconic airshow performers, an engaging STEM Expo, and continuous entertainment throughout the event. Very few locations on the planet offer the chance to witness the fastest motorsport Sport Class air racers tearing through the Las Cruces sky just 50 ft above the ground, racing wingtip-to-wingtip at speeds exceeding 350 mph. This is air racing at its most exhilarating—where high stakes meet high adrenaline, creating an unforgettable experience.

Let's craft a sponsorship tailored to your strategic goals for a mutually beneficial relationship. The quicker we secure this partnership, the more exposure you will gain.

Your support is vital in bringing SkyFiesta to families and individuals, inspiring the next generation.

Feel free to contact any member of our team to make this happen!

We can't wait to welcome you and your team to SkyFiesta!

Your friends...
